4.	<p>Security clearance</p> <p>All MSOs are required to be security cleared for offering PS channels. If an LCO intends to provide its PS channels, then the same must be inserted at the level of MSO and such channels must be registered by its MSO and it will be the responsibility of the MSO to register such platform channels. To enable the sufficient number of PS catering to the specific needs of local language and culture, this cap of 5% will be computed at the level of State/Union Territory.
